For supporting us.

Staff Profile

This Week @ GOOSH...

Week 4 was a great week for our centre. All of the children were involved in various activities, including; soccer (typical), one bounce, and nerf wars, just to name a few! We spent the week engaging with the children to get their feedback on activities, and have important chats about hygiene and appropriate behaviour!

Club Name	What Happened?
Science	This week, our scientist Jessica ran her science club. Jessica prepared a mix of clear nail polish and water, in which the children then dipped black paper. This resulted in rainbow paper! The outcome of this science experiment was awesome to see, and the kids loved it!
Breakfast	Melanie had a great week running Breakfast Club. She started the cold, early Tuesday morning with pancakes, which was a hit with the children. On Friday, she ended an exciting week with hash browns! Breakfast club is a big hit with the morning care children. Thanks Mel!

Email: info@goosh.org.au

Important Reminders...

 GOOSH has been a community based centre for over 40 years, run by a dedicated team of educators, a centre director and a PMC who have contributed their time and effort into supporting our beautiful centre.

Tissues for your issues:

As we get ready for Winter to roll in, we want to remind parents about children's hygiene! As we all know, Winter brings many runny noses and lost jumpers. Please remind your children to always wear a jacket, and carry tissues for their issues! We also want to remind parents of the importance of clean hands. Try to encourage lots of hand washing.

Congratulations to this weeks star !!! ... **Bradley R**

Bradley (Brad) is our star of the week! Everyday this week he has demonstrated great behaviour, compassion and maturity. The staff thank Brad for including younger children in his games, and always keeping an eye out for his friends. Congratulations Brad and keep up the great work!

- From all the very proud educators at OOSH!

- 26th May National Sorry Day: to remember and commemorate the mistreatment of the continent's indigenous population.
- 30th May P&C Meeting

Staff Profile of the Week

Each week we will be choosing a staff member to focus on so the parents/carers can get to know the team better!

Hi! if you don't know me, my name **Lily Evans** and i'm a casual educator at Gladesville OOSH.

My favourite things: I love to hang out with my family and friends. I especially love going out and getting food, particularly Acai bowls and Chinese food! I also love chai lattes and my dog Billy.

Why I love my job: I love my job because I am able to spend time with such amazing children everyday.

Sadly, Lily will be leaving us as she enters a new stage in her career, as an Advertising Coordinator at Pacific Magazines! Congratulations Lily, we are all so proud of you! Try and find Lily around the centre before she leaves to say Goodbye!

THANK YOU for your support
