# GOOSH NEWS

Term 2 | Week 7 | OOSH Newsletter

This week at GOOSH was incredibly busy, with numerous activities running but the highlight of the week had to be Kate's cooking club (maybe because the children got to eat some delicious cupcakes but we can't be certain!). This week GOOSH also welcomed two new staff members David & Amanda! If you see these new faces please feel free to say hi and introduce yourself, they'd love to meet you all!

**Club Name**

**What Happened?**

Kooking with  
 Kate

This week in cooking club, I made apple/cinnamon and vanilla cupcakes with the children. They especially liked the mixing step of the recipe as well as the spooning into cupcake patties. Great session kids! (they also tasted delicious)

## RECYCLING AT HOME

Currently at GOOSH, the educators are going through sustainability and recycling with the children to create a happy and positive world for them when they grow up.

We ask that you aid in this process and continue the learning at your homes.

To do this, please encourage recycling the items in green and placing the items in red into the bin. As well as this please try and use reusable bags were possible and reduce the use of one-use plastics where possible!

## Congratulations to this weeks star !!! ... *Abigail*

*Each week we will be choosing a staff member to focus on so the parents/carers can get to know the team better!*

This week we have chosen Abigail as the star of the week! We would like to award this to her for her continuous generosity and kindness she is always showing to her friends and all the children at GOOSH.

It does not go under noticed Abigail and we are so proud of you! Love from the GOOSH staff :)
